*“Share Your Little Treasures With Us!”*

Tuition rates<sup>1</sup> are based on the child’s age as of September 1<sup>st</sup>. Tuition rates will be adjusted according to the program the child is in during the school year (September to August). Fees are payable monthly and will be directly deducted from your checking or statement savings account on the 25<sup>th</sup> of the month before services are provided. There are no deductions in tuition due to absences, snow days, holidays or vacations. Our rates are averaged over the full school year and already take these deductions into consideration.
